

Harmar's Home Access Products builds upon our commitment to mobility by breaking down barriers in the home and making every room of the house accessible. Harmar has a full line of Vertical Platform Lifts, Stairway Lifts and Bathroom Lifts designed to safely increase your mobility and home accessibility. Harmar products are available exclusively through a nationwide network of authorized dealers. Customers receive care from the nation's top mobility dealers. Harmar's dealers will assist in determining the best product to fit your needs and budget. It is imperative to have an authorized Harmar dealer demonstrate, install and service your Harmar equipment. Harmar's products are designed and built with the "Harmar difference" - they are simpler, stronger, lighter and easier to use.
